

Jazzy 1120

Jazzy 1120 shown in Candy Apple Red with Versa Seating System, Swing-Away Footrests, Remote Plus Controller and New Mag Wheels

The innovative Active-Trac Suspension, standard on the Jazzy 1120 Power Chair, offers the most unique suspension of any Power Chair in the industry. The Jazzy 1120 incorporates all of the Jazzy 1100's standard features while enhancing the Jazzy's superb performance. On the Jazzy model

1120, the front anti-tip wheels work in conjunction with the main drive wheels, helping the Jazzy to better travel over uneven terrain and negotiate ramp transitions. This design also allows the model 1120 to climb curbs as high as 4".

Jazzy Power Chairs.
How a Power Chair Should Feel!™
