The Jazzy XL model 1170 is a stylish, high performance Power Chair that combines the excellent indoor maneuverability of the Jazzy 1100 with larger motors and a longer frame to allow for 30% increase in torque, a top speed of 6 MPH and a 400 lb. weight capacity. The Jazzy XL 1170 is equipped standard with Active-Trac Suspension which provides for great outdoor performance, rough terrain handling and can climb curbs up to 6". The Jazzy XL is the ultimate Power Chair for the active outdoor user who still requires tight quarter maneuverability.
