

# Jazzy 1400

**Jazzy 1400** shown in Candy Apple Red with Versa seating system, swing-away footrests and Dynamic Europa controller

**Jazzy 1400** shown in Viper Blue with Versa seating system, swing-away footrests and Dynamic Europa controller

The Jazzy 1400 combines the high-end rehab capabilities of the Jazzy 1420 with a narrow power base for enhanced indoor maneuverability. Designed specifically for people with high-end rehab needs, the Jazzy 1400 presents an extensive array of standard rehab features including the Versa seat frame which accepts a broad range of seating, swing away legrests and fully programmable digital controllers

which uses plug play technology to interface with a wide variety of specialized drive controls. In addition, the Jazzy 1400's new rear suspension, Active-Trac Suspension, patented two motor mid-wheel drive, adjustable front anti-tips, and optional high-speed motor package combine to provide outstanding outdoor capabilities, while not compromising indoor maneuverability.
