Away Footrests and Remote
Plus Controller

The Jazzy 1470 combines the high-end rehab capabilities of the Jazzy 1420 with an increased weight capacity of 450 pounds. Designed especially for the bariatric client with rehab needs, the 1470 proves that you don't have to sacrifice style for a heavy-duty rehab power chair. The 1470 features the fully adjustable Versa Seat frame which accepts a broad range of seating, and swing-away footrests. The fully programmable digital controller uses plug and play

technology to interface a wide variety of specialized drive controls. In addition, the 1470's 16-inch knobby drive wheels, adjustable front anti-tips, Active-Trac Suspension and patented two-motor-mid-wheel drive delivers superior outdoor performance without compromising indoor maneuverability. Available with a heavy-duty motor package and all Jazzy accessories, the Jazzy 1470 is the ideal power chair for all your heavy-duty rehab needs.
