# AUTO LIFT I

## FEATURES:

### CONVENIENT:

- Shipped virtually fully assembled.
- Works off the car battery.
- One switch, fully automatic operation.
- Attaches easily to standard class III trailer hitch with 2" receiver.

## THE AUTO LIFT I DIFFERENCE:

### A Full Deck Platform

- **No narrow runners that you must guide your scooter onto.**
- **The spacious aluminum deck makes docking a breeze**
- **Advantages:**
  - The easiest platform to drive onto.
  - Fully automatic hold down device.
  - The perforated aluminum deck greatly reduces wind resistance and allows for maximum visibility when driving in the up position.

AUTO LIFT I'S WIDE PLATFORM ALLOWS FOR EASY ON AND OFF ACCESS.

A FLICK OF THE SWITCH AND YOUR SCOOTER IS FULLY LOADED & SECURED.

## SWING AWAY OPTION:

THIS IS THE MOST PRACTICAL OPTION YOU COULD SELECT

With the Swing Away added, you still have full access to your trunk, van rear door or pick-up tail gate. We recommend this option to every Auto Lift customer.

### AN AUTO LIFT EXCLUSIVE:

The Swing Away Arm can be added at any time - *easily*.
